

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

IMPORTANT FOR MEMBERS.

NEW PUBLICATION OF NAMES AND ADDRESSES OF MEMBERS
OF THE ASSOCIATION, TOGETHER WITH CONSTITUTION AND
BY-LAWS.

The Secretary is preparing copy for the publication of a revised list of names and addresses of members, together with the constitution and by-laws. Each member is earnestly requested to make any desired correction in his address, as now recorded on our files, by writing to Robert E. Chaddock, Secretary, 501 Kent Hall, Columbia University, New York City, stating the exact address to which all notices and the publications should be sent in the future. In case there is any doubt about the correctness of your present address in our files, will the members not aid the Secretary by writing *at once?* *This is particularly important, due to changes brought about by war conditions.*
